¹ CC Yield and Base Acres in the FSA form “Reported Commodity Crop History Summary” mailed to producers in August.

² Y – yield insurance, RP – revenue insurance, RP-HPE – revenue protection with harvest price exclusion, CAT – catastrophic insurance.

³ Yield history available on crop insurance forms or farm records. Yields for 2008-2012 are used to update payment yields. Yields for 2004-2007 are used to appropriately incorporate yield risk in program participation and insurance decisions. Planted acres for 2009-2012 are used for base acre reallocation.

⁴ Plt Acre – planted acres, PP Acre – prevented planted acres
